

HORSEMAN'S OPEN OBSTACLE CHALLENGE

In Hand Obstacle - Mounted Obstacle

This event is a competition intended to demonstrate the relationship of a sensible, well mannered, free and easy moving horse and exhibitor through obstacles, providing correctness is not sacrificed. In all phases of the event, credit will be given to horses showing correctness of gait, obedience, willingness, expression, efficiency, and confidence.

Exhibitors may enter any one or both of the 2 Obstacle Challenges. The same exhibitor may enter multiple horses in any one or both Obstacle Challenges but may not complete an Obstacle Challenge more than once with the same horse. Horses may be entered with multiple exhibitors.
