

Adopt-A-Trail

A dedicated group of our members participate in our "Adopt-A-Trail" program. These folks donate their time and labor to keep our trail system open. A never ending job of checking trails and clearing brush yields a trail riders dream... miles and miles of scenic trails for all of us to enjoy.

We are always in need of folks to step in and help with the trail maintenance. Please consider becoming an "Adopt-A-Trail" volunteer. Contact the Trail Boss - Wes Jackson at 412-795-6178
